Dear M/s Campbell

I write to you regarding your membership to the Human Services Ministerial Advisory Committee (MAC) for the Redfern-Waterloo Authority (RWA).

As you are aware the current membership of the Human Services MAC expired on the 30 June, 2007. The Human Services MAC is comprised of relevant Government agencies (federal, state and local) and 6-8 representatives from the local community.

I am taking the opportunity at the expiry of the current Committee's term to introduce some new members who will bring enthusiasm and new ideas. The reformed Human Services MAC, to be chaired by the CEO of the RWA, will ensure that new membership covers the human services and health industry, the Indigenous and non-Indigenous community, and have experience and expertise that covers a variety of perspectives within the greater community.

On this occasion, I regret that your membership to the Human Services MAC will not be renewed. I would like to thank you for your participation on the Ministerial Advisory Committee, as I believe that every member has brought valuable skills, passion and enthusiasm to the task.

Yours sincerely

**Frank Sartor**
